**Summer:** Isobel, Oscar, Ethan, Henry Wade, Chloe, Grace & Elle.

**Autumn:** Hadley, William Cottle, Amelia, Ben, Alex & Mason.

### Message from the Deputy and Head

After the dramas of last week, we are all quite relieved to return to some normality this week!

The opportunity that the children get through their experiences on a residential at Pencelli to learn and grow in so many ways, is colossal. This forms a core part of what we believe in and aspire to for all of our children. However, we appreciate that facilitating this is demanding in a number of ways. So we would like to take this opportunity to say thank you to a few people:

- Mrs Draper, Ms Ritchens and Miss D for going the extra mile to support all the children during their residential in Pencelli last week.
- All of the rest of the staff for battling the weather and working extra hard with the absence of so many people to keep everything running so smoothly at school.
- Autumn Class for facing the bitter cold and really challenging themselves at Pencelli and making us all so proud.
- All the rest of our children for keeping going with their learning whilst things at school were so different.
- All of our parents for being so understanding as we made the hard calls to close the school and shorten the residential in the face of extreme forecasts and weather.

We are hugely appreciative of all of this support, as without it our children would not get such wonderful opportunities. Thank you.

### Late Register

If your child arrives at school after 9am, it is vital that you sign the late register in the office. Once electronic registers are closed in the classrooms, teachers will not log-on again until after lunch. This means that children remain 'off the system' for the morning which will flag up as non-attendance, but more importantly means that during a potential emergency situation they could be overlooked. So please ensure that your child is marked in.

### Wisepay

We are very excited to be launching Wisepay, our new electronic payment system. You should have received a letter home containing your unique log-in details. Our next round of lunch orders are on the system, and all future payments to school (swimming, gym, breakfast club, trips, etc.) will be done through Wisepay. We hope that this will make things easier for you at home. If you have any questions please see Tina or Jane in the school office.

### Childcare Vouchers

Just to let you know that PH Sport will accept payment for after-school clubs using childcare vouchers, and it is also possible to pay for breakfast club using them as well. If you would like any more information about this please speak to Tina or Jane in the office.

## Sports Relief – Friday 23<sup>rd</sup> March

Just a reminder to keep collecting sponsors for our sponsored skip that will be happening for Sports Relief on Friday 23<sup>rd</sup> March. Children will be completing an individual challenge (how many skips can they achieve in 10 minutes) to raise money, and we will also be having an inter-house competition to see which house skips the most.

## Thank You

A big thank you to Eric Lepine for working so hard to provide all the children with a pancake on the Friday before half term. A real treat with which to end before the holiday, thank you.
