1. You should see a page similar to this. It should have your name. This is your **dashboard**

This page shows you any projects or homework set for you to complete.

The screenshot shows the eSchools dashboard. At the top, there's a navigation bar with 'Dashboard', 'My class', and 'Me' buttons. A user profile for 'Isaac Wright' is visible. On the left, a sidebar has 'My class' selected, with sub-options for 'Projects', 'Homework', and 'Class members'. The main area is titled 'Current Projects' and shows a table with one project: 'Numeracy - the operations' with a timescale of '25/03/2020 - 26/03/2020'.

Project name	Timescale
Numeracy - the operations Summer	25/03/2020 - 26/03/2020

When you click on projects you will see any projects you are set to complete. There will be a range of resources in projects such as PowerPoint, work sheets, texts to read, learning reminders, links to websites. Some projects will also contain Homework for you to complete.

The screenshot shows the details of the 'Numeracy - the operations' project. It features a table with four items, each with a name, timescale, and deadline.

Item Name	Timescale	Deadline
Column addition	ongoing	N/A
Column subtraction	ongoing	N/A
Column multiplication	ongoing	N/A
Bus shelter	ongoing	N/A

When you left click on the homework section you will see any homework you need to do. Left click on the Title

The screenshot shows the 'Homework Due' section. A red arrow points to the 'Exercise' title in the first row of the homework table.

You will see a page like this.

Where possible work is set so that it can be done on the computer to make it easy to

return it to me to be marked.

I am also happy to

receive work that has been photographed because you do not have access to a scanner (especially for maths) or parents can mark the work and you can feed back to me.

This will develop over time.

Let us know what you want to find out about The Vikings. I am really interested in finding out about their ships: what they looked like and any special features.

The screenshot shows the eSchools user interface. At the top left is the eSchools logo with the tagline "MAKING SCHOOLS CLICK". To the right are navigation buttons for "Dashboard", "My class", and "Me". The "Me" button is highlighted with a speech bubble containing a profile picture and the name "Isaac Wright⁴" with "Class Summer" below it. A red "X" icon with a tooltip "Not you? Logout here" is in the top right corner. Below the navigation bar is a "Me" button and an "Inbox" section. The inbox shows "You have no messages in this directory". A sidebar on the left lists: "My Messages", "My Files", "My Calendar", "My Groups", "My Blogs", "My Password", "Change Theme", and "Change Photo". Two red arrows point from text annotations to the "Change Theme" and "Change Photo" options.

Explore this page and have fun!

Change theme allows you to remove the space theme and add something that reflects your personality

Change photo allows you to add a picture of yourself. I chose a clipart image which I thought was fun.
